They are reperfectly aware that the President he will be exact situation here to-night. They are reperfectly aware that the President he will be exact situation here to-night. They are reperfectly

Finally as the result of to-day's conferences the national committee is to decide as to the advisability of admitting two representatives of each press association, namely, the Laffan Bureau, the United Press, and one or two others. It is very probable that the national committee will decide to request the presence of the representatives of these associations. While no decision has been reached in the matter it is almost sure to be in the affirmative.

Chairman New had a long talk to-day with William L. Ward, national committee man from New York, on the distribution of tickets. Director Dixon of Col. Roosevelt to renominate President Taft in possible, even if it presages sure defeat. They believe the President of the President Taft if possible, even if it presages sure defeat. They believe the President of the Roosevelt's nomination would not only result in certain defeat but in the ultimate destruction.

the South than his adversaries have been convention and reports thus far tend to confirm this claim.

Thomas Sterling says he has defeated Senator Campel but Gamble does not concede defeat.

WOODRUFF GOING BACK TO CAMP

The South than his adversaries have been willing to concede to him.

Quite as exuberant in tone as Col. Roosevelt sletter was one received to-day by Senator Cummins of Lowa from Senator Dixon, who wrote from New York after a conference with Col. Roosevelt that the fight was already won and that the Roosevelt has the Goosevelt forces would control the convention of the South Dakota returns.

Late to-night, when he had been apprised of the South Dakota returns.

"I have made a complete sweep out there and would have done the same thing in every State if the people had direct election of Senators.

The resolution also eulogic ent State administration of mon and indersed his Press.

Tamothy L. Woodruff, head of the Re-publican organization in Brooklyn, is and may make one of the nom-satisfied that there will be no further nating speeches. He has been men-change in the political situation pending tioned for Vice-President, but has re-
